Claire and Carl's Wedding

Noelene's Reading

Adapted from "A Marriage Prayer" by Bud Henry Boyoun

Claire and Carl as you begin your journey down the road of life together, you don't know what lies ahead for the road turns and bends. But help each other to make the best of whatever comes your way. Help you to hug each other often...laugh a lot, talk more, and argue less. Help you to continue to enjoy each other as you did when you first met. Help you to realize that nothing nor no one is perfect and to look for the good in all things and all people including yourselves. Help you to respect each other's likes and dislikes, opinions and believes, hopes and dreams and fears even though you may not always understand. Help you to learn from each other and to help each other to grow mentally, emotionally, and spiritually. Help you to realize that there is design and purpose in your lives as in the world and no matter what happens to you, you will hold on to each other and know that things have a way of working out for the good. Help you to create for your children a peaceful, stable home of love as a foundation on which you can build your lives. But most of all help you to keep lit the torch of love that you now share in your hearts so that by your loving example you may pass on the light of love all those around you.
